FXPHD

Online training courses taken for Nuke, Shake, PFTrack, Syntheyes & Roto (silhouette)

SKILLS & SOFTWARE

Advanced understanding of Nuke, Photoshop, Premiere Some experience with Syntheyes and PFtrack.

Good understanding of Python & the Nuke python API,
Shotgun Toolkit & Shotgun's python api.

Some experience with the Maya Python API.

HOBBIES

In my spare time I play guitar horribly. When I'm not driving the cat up the wall with noise, I'm either cycling, reading a book, writing short stories, watching scary movies and playing scary VR games/experimenting with Unreal/Unity (which has been disastrous so far).
